Purpose:

Vivekananda Family Camp (Camp) is a week-long residential camp nestled in the foothills of the Berkshire Mountains. Camp attendees learn about and live the values of Sanatana Dharma (Hinduism) through educational classes/discussions, fun and engaging activities, and interaction with their peers in a familial, congenial, and disciplined atmosphere.

Food and lodging facilities are provided for the whole week and are included in the application fee. All food is vegetarian and includes Indian, Italian, Mexican cuisine.

Many of the activities are conducted in the wonderful outdoors. As such, Camp is bound by natural conditions such as warmth, cool, rain, and humidity. Attendees should be aware and plan accordingly.

Camper:

A camper is one who is a child in grade 3 to grade 12. This is determined by the last grade completed immediately prior to start of Camp. A child who is in grade 2 or lower or below age 5 (called accompanying child) is allowed to attend Camp provided that at least one of the parents also attends Camp and provides care for that child throughout Camp.

A camper is expected to follow all rules and regulations of Camp and behave in an ethical and moral manner at all times during the Camp.

All campers must be in good health and be able to perform all physical and other activities of Camp.

Volunteer:

A volunteer is an adult over 18 years of age and is not attending the Camp as a camper. A volunteer who does not have a child attending Camp or is not serving as a guardian for another child must receive special permission from Camp Registrar to attend Camp as an invited guest. A volunteer can serve as guardian to no more than three (3) campers in addition to his/her own children. A guardian must be at least 25 years of age. A camper's sibling who is over 18 years of age may, with Camp experience and Camp Registrar's approval, serve as guardian for that camper.

By state of Massachusetts (MA) law, any adult who will attend a residential event that will also have children present must agree to have Criminal Offender Record Information (CORI) inquiry performed. A state approved representative of Camp will perform CORI inquiry for all volunteer applicants. A representative of Camp will contact volunteer personally to obtain sensitive information (as required by state) such as partial Social Security number. The sensitive information will be destroyed once the CORI inquiry is performed. In the case where a CORI inquiry returns positive, meaning that the inquiry indicates a criminal record, Camp Registrar has the right to deny the applicant's application based on the nature of the criminal record and discussion with the applicant.

Non-MA residents may also be required, through their own efforts, to obtain equivalent inquiry from local state or town agency such as local police department. All volunteers must provide three (3) character references.

A volunteer is expected to follow all rules and regulations of Camp and behave in an ethical and moral manner at all times during Camp.

All volunteers must be in good health and be able to perform all physical and other activities of Camp.

All volunteers act as role models for all children throughout Camp. All volunteers serve as Sevaks who will help with various duties of Camp such as helping in the kitchen and washing dishes.
